CAPRI PIZZA'S FUN FUNDRAISING PROGRAM

Why not partner with Capri Pizzeria for a proven successful fundraising activity for your school? Over the years Capri has teamed up with community schools for a fundraising activity we have coined as "**Capri Pizza School Night**". The school can enjoy our great pizza, and participate in a fundraiser all in one night!

HOW IT WORKS!!

Capri and a school representative choose their school's pizza night. Over the years, we have found that selecting a consistent day of the month (i.e. first Thursday of every month) works best.

- The school advertises their upcoming "**Capri Pizza Night**" encouraging parents to order from Capri on your Pizza night. Your school location is Capri Pizza @ 3020 Dougall Road. 519 969 6851 (Please note only this location will be participating in this fundraising with you)
- **Capri Pizzeria donates 10% of the school's sales directly back to the School.**
- **Any** item off our take out menu purchased from someone who identifies themselves as participating in the Central School Pizza night will be added to your school's total sales.
 - No school specific coupons or specials are offered however, we will honor all coupons and promotions being offered corporate wide.
- The key to the success of this fundraiser really depends on the school's ability to promote the pizza nights. Many schools' have used their outside sign, school newsletters, and calendars to advertise and promote this fundraiser.
- **One more thing!** Please remind parents that they **must mention** that they are calling for the school's pizza night to ensure their order is credited towards the school's sales for the evening.
- Capri contacts the School's fundraising rep when the fundraising check is ready to be picked up!

You're right, this does sound easy, because it is!
